## TULSA ARTVEHICLE INCENTIVE APPLICATION 2017

Living Arts is making available stipends for up to \$500 for suppliers to help artists permanently modify an existing vehicle into an ArtVehicle ( car, scooter, bike, etc. )

• Criteria for approval: based on the concept, proposal, amount of modification, imagination and craftsmanship shown, the Tulsa ArtCar committee will decide on the amount allocated to the artist.

• This program is for Tulsa area residents ONLY and the ArtVehicle is to remain in the Tulsa area.

• Participants understand that they will receive one half of the allocated amount upon the committee's decision and will not receive the other half of the allocated amount until they have completed the ArtVehicle as described in their proposal and lived up to all points of the agreement.

• ArtCars must attend the community/schools tours as parts of this agreement.
